All proceeds to benefit Northern Hills Pool, a community-owned, volunteer-driven, 501(c)(3) nonprofit community asset. Proceeds will be used for our ongoing efforts to preserve and improve this cool treasure for NE San Antonio.

THE FINE PRINT: Plunge happens regardless of weather conditions (That's the whole point, isn't it?) Plungers can remain in the water as little or as long as they want, but they do have to take the Plunge in order to earn a shirt. Plungers (participants) must collect and turn in all pledge \$ at time of Plunge. Plungers must sign our liability release form. Minor Plungers (under 18) must be accompanied by a parent, who will sign the Plunge release on their behalf. Lifeguard and medical personnel will be on site for your safety.
